Music[/[url](#)] has them too. Evanescence is a 3-piece progressive rock band from the South-West of England. The band consists of two brothers. Lindsey Scott is vocalist and principal songwriter, Gareth Scott is a keyboard player/singer/songwriter and Jake Shulman is a bass player. Originally they wanted to be a band that played a mix of old and new instruments. But I think they have not settled on a consistent enough sound to call the material progressive rock. Anyway their music resembles the work of Kansas-like bands, they play lots of keyboards, lead guitar, and especially melodies like melodies on guitars. For evanescence their debut album “Define the Edge” is an excellent album. It has 6 great songs and some very progressive sounding lyrics. Apart from the title track which I am not a fan of, the songs have an upbeat feeling and a nice sound of keyboards. The vocals are of a lot of times barely audible, but the lyrics are surprisingly simple and really not too long. It’s not like that on every song, most of them are based around a repeated sound, as “it’s ok to do it”, “A distance from
